The Illinois State Council has yielded another Presiding Bishop to the Pentecostal Churches of the Apostolic Faith. Bishop J. E. Moore follows in the footsteps of his former pastor, Bishop D. Rayford Bell, to become the sixth presiding Prelate of this great organization. Bishop Moore has served this Council as well as this organization admirably for many years, and brings to his new office the knowledge and wisdom gained through diligent application of ministry principles and faithfulness to his calling. Let us stand with him in prayer and support as he faces the challenges of new and greater responsibility.

November 2008 ....……....

Welcome!

Welcome to this November session of the Illinois State Council. We are grateful to Bishop Jerry L. Jones, and the Apostolic Assembly of the Lord Jesus Christ for the very kind invitation to gather in this great house of worship for a time of fellowship and praise in the presence of our God.

We come to this time and this place with a sense of great expectancy, as we lift Him up in praise and adoration, that God will move by His Spirit with healing and deliverance in the hearts and minds of His people. Let us spare no energy in giving thanks unto Jesus Christ the great shepherd, for His manifold blessings unto the children of men.

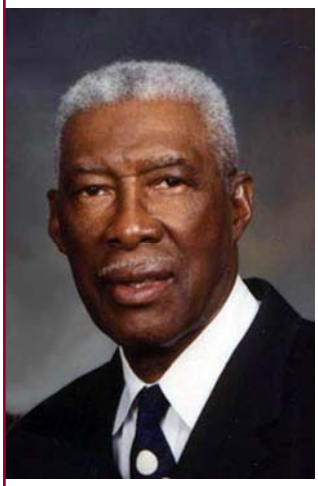
Bishop Bell Celebrates 50 Years Of Pastoral Ministry

By Elder William Henley
Chronicle Staff



Victory has the 'Miracle Man', Christ Temple has...

There was a buzz of palpable anticipation in the air as hundreds of admirers and well wishers filed into the Christ Temple Apostolic Faith Church sanctuary on August 24, 2008 to pay homage to a modern day spiritual icon. People streamed in from all over the country, trying to secure a good seat, so as not to miss this defining moment in history. The sanctuary was full to capacity, and there were people standing wherever they could find an open spot. Some people actually ended up leaving because there was no where to sit. I imagine that when the honoree Bishop D. Rayford Bell entered the sanctuary, he felt the joy of the Lord to see all of the people who had come to celebrate his 50th anniversary as Pastor of Christ Temple Church.

The pulpit was full of luminaries who came out of respect and love for Dr. Bell. District Elder Glenn Purnell surprised Dr. Bell by bringing a coach bus load full of saints and his choir from Terre Haute, IN. Bishop-elect Robert Fortson and his wife came from Jackson, MS. Our National Youth Treasurer, Elder David Settles from Nashville, TN was also present. Our council Chairman Bishop Jonathan Franklin and a host of the pastors, including our Presiding Bishop J. E. Moore that comprises the Illinois State Council were there and accounted for.

Pastor Leon Shaw who was the Master of Ceremonies for the evening was charged with keeping the program flowing smoothly. Bethlehem Temple Choir of Terre Haute, IN, Lady Anna Christopher, Pastor A. D. Williams and Bishop Glenn E. Miller all sang the church happy. Bishop Reese Price Jr. officiated the ministry of giving, and told of his history as a son of Christ Temple. Bishop Jonathan Franklin made a rousing and humorous tribute depicting the honoree.

Our honorable Presiding Bishop J. E. Moore came forth to preach the message for the evening, noting that it was his 1st official act as Presider in the Illinois State Council. His sermon was entitled '*Called Out To Be A Witness* '. He talked about the character of Dr. Bell. He told the story of how Dr. Bell founded the church in Joliet, IL. He said that as a young pastor, he came to tell Dr. Bell that he didn't think he could make it as pastor of the young church. He shared with us that all Dr. Bell said to him was *you can make it*, and he made it from that day forward.

Our National General Secretary, Bishop Jerry L. Jones Sr., read Bishop Bell's autobiography and introduced the man of the hour **Former Presiding Bishop D. Rayford Bell.**

Spiritual Productivity

An important principle is revealed in the very first chapter of the word of God. In fact, it is probably the most important principle in the whole Bible. I call this the 'fecundate principle'. The word fecund means fruitful or prolific. Fecundate therefore expresses something that is made to be fruitful or prolific. Prolific is defined as "producing young or fruit abundantly'; it is further defined as being "marked by abundant inventiveness or productivity".

Over and over as God reveals the process of creation to Moses, we find a recurring idea or concept stated. The 'fecundate principle' essentially tells us that *'the seed of everything is in itself, to bring forth after it's own kind"*. This is the reason for God's opposition to our being *unequally yoked with together with unbelievers*. It is the reason for laws such as is stated in Leviticus 19:19: *Ye shall keep my statutes. Thou shalt not let thy cattle gender with a diverse kind: thou shalt not sow thy field with mingled seed: neither shall a garment mingled of linen and woollen come upon thee.* When two different kinds mix it cannot produce either kind. Mix a horse and a donkey you get a mule. A mule is non-fecundate. It has no seed, and so, cannot reproduce itself.

E. Stanley Jones, in his book The Reconstruction Of The Church - On What Pattern states:

"In the person of Jesus Christ the Church holds within itself a motive and a power that does produce changed character. So Jesus is the center of worth and hope of the Church. We have this treasure in an earthen vessel. Don't point to the earthen vessel—it's cracks, its worn out inscriptions, it's outworn shape, it's unmodern appearance, but rather look at what it holds. It holds the person of Jesus Christ. As long as it holds Him, it holds the most precious, the most potent, and the most present value that this universe holds, barring none. I say "present" for Jesus Christ is the Great Contemporary, and the Great Future. Everything and every person who departs from Him dies, and everything that comes to Him and obeys Him is resurrected, reconstructed, redirected, redeemed, and revitalized.. Again, no exception."

Included in this issue of the Chronicle is an article on 'Communicating Your Faith'. Communicating our Faith is how we produce. *And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."*

The seed of everything is in itself to bring forth after it's own kind. If we mix our seed with the seed of the world we will produce hybrid christians that cannot comprehend the holiness of God. If the seed that is within us is Jesus Christ through His Word then what we produce in the spirit will indeed be prolific, and God will be glorified in us.

Because of Calvary!

Bishop Jonathan B. Franklin

Communicating Your Faith

By Pastor Ken Polk

"And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." Mark 16:15, 16

This passage of scripture is commonly known as "The Great Commission." Within this passage we see Jesus instructing His disciples to take the gospel message to the world. In doing so they were communicating their faith (what they believed) to unbelievers in an attempt to persuade lost men to accept Jesus Christ as Lord and Savior. This charge wasn't for the early disciples only, but for every born again believer in Christ.

The scriptures often speak to us concerning soul winning. I'm going to share two of those passages with you. The first is Proverbs 11:30 *"The fruit of the righteous is a tree of life; and he that winneth souls is wise."* The second, James 5:20 says *"Let him know, that he which converteth the sinner from the error of his ways shall save a soul from death, and shall hide a multitude of sins."* Jesus while on earth was the master soul winner. consequently, being His disciples we should be soul winners too. We should be willing to convey our faith to others. To become a soul winner I feel there are three essential character traits which must be evident in the life of the believer to effectively communicate his or her faith. Let's examine these three attributes.

1) YOU MUST HAVE HAD A TRUE BORN AGAIN EXPERIENCE

"For I delivered unto you first of all that which I also received." 1 Corinthians 15:3

Paul a true champion of the faith said, I first had to experience salvation to successfully communicate the salvation message to others. While journeying to Damascus Paul had a spiritual encounter with God which changed his life forever. Having been quicken by the Holy Ghost, Paul went from persecuting the church to winning many souls to Christ. Often when sharing his faith he began with his conversion experience (testimony). (See Acts 26:13-19) This type of conviction does not come about by joining a church or being a church member. However, a person who has truly been born again will be eager to share his or her experience with someone else. Your testimony (how you came to know Jesus) has power. King Agrippa was almost converted to Christ after listening to Paul testify about how he met Jesus on a road to Damascus. **Your salvation experience is an excellent way to share your faith.**

2) YOU MUST BE CAREFUL OF THE IMAGE YOU PORTRAY:

"Ye are our epistle written in our hearts, known and read of all men: forasmuch as ye are manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the Spirit of the living God;" 2 Corinthians 3:2, 3

As the old cliché goes, it's not always what you say, but it's what you do. The life you live before people can cause your witness to be ineffective. The Bible consists of sixty six books. The believer in Christ is the sixty seventh book. Paul said we are a living epistle read by all men.

As people read your life story (the way you live daily before them) you are communicating your faith. As believers we are to be Christ-like. Simply put, as we submit to the Holy Ghost who is now the motivating influence of our life, we begin to develop a Christ-likeness. Saints should not conduct themselves in a worldly (carnal) manner. We can't use profanity, smoke, and drink, hit all the hot clubs, and live ungodly lives before people, and the next day invite them to church. It just doesn't work. **When your life story is being read what do people see?**

3) YOU MUST HAVE A KNOWLEDGE OF THE SCRIPTURES:

"Study to shew thyself approved unto God." 2 Timothy 2:15

For one to effectively communicate his or her faith they must have knowledge of the Holy Scriptures. Personally, I feel lack of knowledge is an area of concern within the body of Christ. We can't communicate our faith if we don't know or understand what we believe. People in other religions despite their doctrine being false, are well grounded in what they believe. They will stand firmly and defend their faith. They are effective because they know what they believe in. The Christian faith has a risen, living Savior name Jesus, and He is true, and yet most believers have difficulty communicating the faith. Some can't even tell you how and when they were saved. Paul encouraged Timothy to study the scriptures. As Timothy grew in knowledge, he became a strong witness of Christ as he communicated his faith to others. However, the average believer doesn't study, so consequently, they are not an effective communicator of the faith. Remember knowledge is power. Knowledge of the scriptures will only enhance your spiritual experience in Christ.

As you go through the week take a self examination and see how you fit within these three character traits. Allow the Holy Ghost to mold your spiritual life into what it should be. We communicate our faith not only by what we say, but also by what we do. **Are you a good testimony of Jesus Christ?**
