

THE ILLINOIS STATE YOUTH ASSOCIATION (ISYA)

Fellowship, Outreach, Kingdom Building...All apart of ISYA: The youth of the ISC have accepted the call to win souls to the Kingdom of God, encourage those who have walked away to return, and to strengthen those who remain. The Lord continues to smile upon this auxiliary. He meets us in our Council Sessions, at our Youth Revivals, Explosions, Annual Services, All Night Prayer Meetings, and during our Outreach efforts. Under the direction of the Holy Spirit, and through the leadership of the ISC, Minister Tony Catchings and the ISYA are striving to live the motto of the PCAF, International, Inc. WE ARE: "God's Church, Impacting the World!"

Mission

We have been summoned by the Father our Lord and Savior Jesus Christ to bring souls to the Kingdom. It is our mission to win our future brothers and sisters to Christ. We want to encourage those who have walked away from the Lord to return and those who remain to stay in the race.
